RECITALS

WHEREAS, AUTHORITY is a joint powers authority organized under Sections 6500 et seq. of the California Government Code and Section 130255 of the California Public Utilities code with power to contract for services described in Attachment A to this Agreement entitled "Attachment A – Scope of Services" (hereinafter referred to as "Services");

WHEREAS, AUTHORITY is desirous of contracting with COUNTY for the performance of law enforcement services by the Los Angeles County Sheriff's Department;

WHEREAS, COUNTY has indicated it is agreeable to perform such Services and (1) has reviewed all the available data furnished by AUTHORITY pertinent to the Services to be rendered; (2) has inspected and reviewed the Services to be rendered; (3) will exercise the ordinary care and skill expected of a practitioner in its profession; and (4) is willing to accept responsibility of performing the Services set forth in this Agreement for the compensation and in accordance with the terms, requirements and conditions herein specified;

NOW, THEREFORE, for the consideration hereinafter stated, the parties agree as follows:

1. SCOPE OF SERVICES

- A. COUNTY will perform the Services and related tasks as described in ATTACHMENT A - SCOPE OF SERVICES. Attachment A - Scope of Services is attached hereto and is incorporated by reference into and made a part of this Agreement.

COUNTY will cooperate fully with AUTHORITY's staff or a third party contractor or entity that may be providing similar or the same Services for AUTHORITY.

2. PERIOD OF PERFORMANCE

The period of performance shall be for five years from July 1, 2006 to June 30, 2011 with one five-year option that may be exercised at the sole discretion of AUTHORITY, unless amended by mutual agreement of both parties through a written amendment to this Agreement.

The rates indicated in Appendix A (SH-AD 575) and Appendix B will be in effect for FY 2006-07. These rates may be readjusted by the County Auditor-Controller annually effective July 1, of each year to reflect the cost of such service in accordance with the policies and procedures for the determination of such rate as adopted by the Board of Supervisors of County. The new rates shall be reflected upon the new SH-AD 575, which shall be executed by authorized personnel of the parties and replace the prior Appendix A (SH-AD-575) and Appendix B.

The cost of supplemental law enforcement services requested pursuant to this agreement and not set forth in the Appendix A shall be determined by the Auditor-Controller in accordance with the policies and procedures established by the Board of Supervisors of County.

For all disputed amounts, the Agency shall provide County with written notice of the dispute including the invoice date, amount, and reasons for dispute within 10 days after receipt of the invoice.

The parties shall memorialize the resolution of the dispute in writing. For any disputed amounts, interest shall accrue if payment is not received within 60 days after the dispute resolution is memorialized.

Interest shall be at the rate of one percent (1%) over prime per annum or any portion thereof, calculated from the last day of the month in which the services were performed, or in the case of disputed amounts, calculated from the date the resolution is memorialized.

- E. In the event the AUTHORITY should overpay COUNTY, such overpayment shall not be construed as a waiver of AUTHORITY's right to obtain reimbursement for the overpayment.

8. TERMINATION FOR BREACH OF AGREEMENT

- A. If COUNTY fails to perform any of the provisions of this Agreement or so fails to make progress as to endanger timely performance of this Agreement, AUTHORITY may give COUNTY written notice of such default. If COUNTY does not cure such default or provide a plan to cure such default which is acceptable to the AUTHORITY within thirty (30) days from receipt of notice, then AUTHORITY may terminate this AGREEMENT due to COUNTY's breach of this AGREEMENT thirty (30) days after written notice by AUTHORITY.
- B. All finished or unfinished documents and materials produced or procured under this Agreement shall become AUTHORITY property upon date of such termination, except as prohibited by law.
- C. If, after notice of termination of this Agreement under the provisions of this Article, it is determined for any reason that COUNTY was not in default under the provisions of this Article, or that the default was excusable under the terms of this Agreement, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Article 7, Termination for Convenience.

COUNTY's relationship to AUTHORITY in the performance of this Agreement is that of an independent contractor. COUNTY's personnel performing Services under this Agreement shall at all times be under COUNTY's exclusive direction and control and shall be employees of COUNTY and not employees of AUTHORITY. This indemnity shall survive termination of this Agreement and/or final payment thereunder.

Changes in the Services shall be mutually agreed to and incorporated into an amendment to this Agreement. Upon execution of an amendment, COUNTY shall perform the Services, as amended.

17. SUBMITTAL OF CLAIMS BY COUNTY

COUNTY shall file any and all claims with AUTHORITY's Project Manager in writing within thirty (30) days of the event or occurrence giving rise to the claim. The claim shall be in sufficient detail to enable AUTHORITY to ascertain the claim's basis and amount, and shall describe the date, place and other pertinent circumstances of the event or occurrence giving rise to the claim and the indebtedness, obligation, injury, loss or damages allegedly incurred by COUNTY.

Even though a claim may be filed and/or in review by AUTHORITY, COUNTY shall continue to perform in accordance with this Agreement.

The foregoing obligations and standards shall constitute the "Standard of Performance" for purposes of this Agreement. The provisions of this paragraph shall survive termination or expiration of this Agreement and/or final payment thereunder.

- B. All workers shall have sufficient skill and experience to perform the Services assigned to them. 3. Briefly describe the short and long-term sources of the staffing for the proposed new contract (e.g. overtime, new hires, transfers, ect.):

The 2006-2011 Southern California Regional Rail Authority/Metrolink Law Enforcement Services Agreement Renewal will not have any affect on both the short and long term resources of the Sheriff's Department because the service level will remain the same as that established by SCRRA on May 7, 2006. On March 2, 2006 the Sheriff notified the Board that the SCRRA added four additional deputy service units to their contracted services. The service has and will be provided using overtime until deputies are assigned to the positions. During final budget changes in September 2006, the Department plans to request Board approval for the four additional budgeted positions.

4. Briefly describe how the proposed contract and new staffing requirements will impact current unincorporated area services:

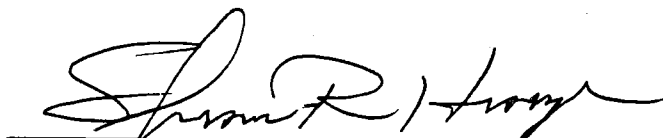

The additions to the previous contract will continue to be provided on an overtime basis under the proposed agreement. Any vacancies in unincorporated area service positions created by filling the four positions, if/when the Board approves the additional staffing, will be filled on an overtime basis until they are filled with newly hired deputy personnel. Therefore, approval of this agreement renewal will not have any impact on the services provided to the unincorporated patrol areas.
